. . . Other Cheats and Walkthroughs For all generation characters, the Agarest: Generations of War 0 cheat code "fly" allows you to fly anywhere on the screen, including the edges of the map, on any of your characters, to get to locations quickly. The levels in Agarest: Generations of War also have very high ceilings so as soon as you can figure out which direction to go, you can fly to the exact spot you want to go. Generations Of War Cheats
SQUASH: If you have a character with a sword and are in battle, they will not be blocked or countered. HARD AR: If you hold the fire button while in archer mode, you will do a full sweep, making your bow point towards the opponent. FREE AR: When you stop in archer mode, your bow will return to its original point. HALF AR: In archer mode, you can move your bow in half-sweep attacks, similar to a powerful slash. QUICK AR: If you are using an archer, you can point your bow towards the enemy and press fire, and you will do a full-sweep. EXIT: This cheat allows you to exit the game immediately and return to the main menu. If you hold R1 when you start up the game, your characters will transform into what looks like a computer monitor, but you cannot select your characters at all. Generation of War Cheats During the battles when your characters are attacked, you will hear the opponent's name spoken when you get hit. Qyako the Ogre: You need to be close to hit him Robby the Robot: You need to be close to hit him Oden: You need to be close to hit him If you press Q/E, then press Q/E again to bring you back to the battle, the battle will continue. Press H/K to go to character selection screen. Press H/K again to return to the battle. You can also return to the battle from the map screen by pressing H/K. If you wish to save your game, press H/K. When you return to the battle, you will be able to continue from where you left off. If you wish to see your stats, press H/K. The game will start
