Play any time period between 2 - 9999 years and marvel at the details in the pre-EUIV recreated world, and currently, do yours. .. In the "One against all" mode, fight against AI that you have never seen before. In the campaign mode, you can fight real players as well as AI players. You can fight in multiple environments to experience the World of Warcraft in different ways. In PvP mode, you can also fight against other players in the open world. It's not necessary to win, but it's a lot of fun. This is a free game and you can play it for free. The game has a shop that allows you to purchase a variety of items.
