### **YouTube Productivity Mode For Chrome**

Try out YouTube Productivity Mode. Enjoy 3 modes meant to help you improve your focus on YouTube. Enjoy the fewer adverts and the overall cleanliness of YouTube when you're in the Leisure Mode. For a more focused experience, get on with your work using the Productivity mode. Less distractions and the ability to customise your own settings to help you control your YouTube viewing is what you can look forward to in the Custom mode. Features: DISABLE AUTO SKIP: The extension will disable the auto skip feature you can turn on if you want ads. LEISURE MODE: In Leisure mode you can have the YouTube experience that you know and love. PRODUCTIVE MODE: In Productive mode you can have more focus, which is perfect for those who need to work and play YouTube. CONFIGURATION: In the configuration options you can enable or disable the features you want. COMMENTS: You can leave a comment in the comments section and rate the app if you like. If you like the extension please press subscribe to be notified about updates and new features. Other features Disabled ads on the home page: If you don't want to have the ads on the home page, you can tick this option off. After that, you will no longer see the ads on the home page. Maximal volume: Adjust the volume of the video, by clicking on "v" icon next to the video. Also, you can change the volume of the audio with the "a" icon. Overlay thumbnails: This feature lets you know which video you are currently watching and allows you to skip to the next video. Click on the button at the right side of the overlay thumbnail, after which you will be taken to the next video. Display thumbnails from other videos on the home page: If you enable this feature, thumbnails of the other videos on the home page will not display. Custom thumbnails, : You can assign a custom thumb for your video on "Channel" page. To assign a custom thumbnail on channel page, enable the option "Custom thumbnail in Channel page" as shown below: Configuration: At the bottom of the window you will find a settings bar. By default the settings are set to "Automatic". You can modify the settings to suit your needs. Please leave a comment and please rate the app. A little more information: YouTube Productivity Mode is an extension that b7e8fdf5c8

## System Requirements:

Mumble: Mumble requires a minimum of 2.0 (not 2.1.0!) Mumble will NOT start for you if you have a lower version than that. Mumble also requires Java 1.7 (not JRE). If you have Java 1.6 or lower installed you will get a warning from Mumble and Mumble will not start. Click Yes to continue. You will be asked to download and install Java 1.7. The download will take a couple of minutes.
